A3P AND TIMBER QUEENSLAND CONFIRM FUTURE PARTNERSHIP

Leading industry councils A3P and Timber Queensland Limited (TQL) signed a Memorandum of Understanding (MOU) today confirming their future partnership.

Representing the Australian plantation products and paper industry, A3P CEO Mr Neil Fisher said the MOU enhances the existing cooperative relations between the organisations.

"The A3P and Timber Queensland MOU formalises our joint position on a range of national policy issues such as climate change, emissions trading and structural timber.

"Our objectives are similar – a strong, profitable and sustainable industry supported by sound Government policy – so it makes sense to lock in our future partnership", said Mr Fisher.

Representing TQL, CEO Mr Rod McInnes said he is pleased to confirm the important alliance with A3P adding "We look forward to enhancing our already close working relationship".
